## FAMOUS STOKES MINE IS SOLD

HAS ORE ENOUGH BLOCKED OUT TO RUN MILL THREE YEARS.

The Goldfield Blue Bell Mining company has just consummated a deal whereby it acquires the holdings of the Nevada company, operating the famous Stokes mine at Berlin, this state. The Berlin mine has blocked out an estimated tonnage sufficient to run the thirty-stamp mill for a period of three years, the average value of the ore being \$16 a ton. Besides this there are 25,000 tons of ore in the bins that will mill better than \$12 a ton.

The deal has been pending for several months, and was carried through by the efforts of W. H. Whitmore and company. The Berlin mine, of which J. G. Phelps Stokes, the New York millionaire, was the moving spirit, owns thirty patented claims and the main workings are down 800 feet. In addition the surface equipment of the property is considerable, there being, besides the mill, twenty-five miles of pipe line, ranches and water rights, a large store stocked with merchandise, machine shops and other equipment.

S. T. Pierson, president of the Blue Bell and former manager of the Nevada, has assumed complete charge of the mine, and is on his way to Berlin with a complete force of mill men, and the mill will be started up within the next two weeks. The company expects to have its first cleanup by October 1.

The deal, which was closed last Saturday, has been pending since last October.

The officers of the company will be S. T. Pierson, president; W. H. Whitmore, secretary and treasurer; H. C. Morris, D. S. Johnson and the fifth director has not yet been decided upon.—Goldfield Chronicle.

## FUNERAL TAKES PLACE TODAY

Curly Graham yesterday received a telegram from Puddy Grimes, who is in Nevada City, stating that the funeral of James P. McCloskey would take place this afternoon in that city. Mr. Grimes stated that floral pieces had been received from all over the state and it was expected that the number of people who would pay their last respects to the deceased would be the largest in the history of Nevada City. Mr. Grimes is representing Tonopah Aerie, No. 271, Fraternal Order of Eagles, of which Mr. McCloskey was a charter member.

The Tonopah Club and most of the business houses around town will close today between the hours of 1 and 4 out of respect to James McCloskey.
